

SEMESTER PENDEK TAHUN AJARAN 2013-2014

BIOLOGI (MAB 1201 , 2/1 SKS)

**Biology Team
Agricultural Technology Faculty
2014**

LECTURER

**Endrika
Widyastuti
(EWT)**

**Jaya Mahar
Maligan
(JMM)**

COURSE CONTRACT

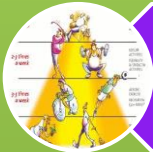

Come on time

Silent your cell phone

Manage your tasks & assignment

Actively participate, Think creatively

Read, Read more and more

No plagiarism

Score Grading

Assignment 40%

Middle Test 20%

Quiz 10%

Activity 30%

COURSE TOPICS

Date	Topics	Lecturer
30/6	Introduction (Course Contract)	JMM
1/7	(take home assignment)	
2/07	- Biological Materials - Cell : Structure and Function	JMM
3/07	- Bioenergetic cell - Development of Cell	JMM
4/07	- Organisms Classification - Atom cycle	JMM
7/07	Review and discussion	JMM
8/07	Review and discussion	JMM
10/07	Middle Test	

ASSIGNMENTS

Submit Date	Assignments
2/07	Biological Potential (Blog)
6/07	Poster Biological Potential
7/07	Poster Presentation
8/07	Poster Presentation

ASSIGNMENTS

1. Biological Potential (Blog)

- Course topics divided to each students, 1 student 1 topic
- Find some biological potential based on your topic.
